Scope of the Power of Attorney (reading and – in part – writing access to My Koda)

I, the Principal, authorize, with effect from today, the Proxy Holder with Power of Attorney to access all my information on My Koda, including details of my works and distribution statements from Koda and NCB as well as historical data.

In addition, the Proxy Holder only has power of attorney to notify works and report concerts on my behalf.

The Proxy Holder is not entitled to transfer the Power of Attorney to a third party with effect on the latter.

This power of attorney does not change the fact that I continue to have full access to My Koda myself and thus still have the opportunity to serve myself through My Koda.

The Power of Attorney implies that Koda may consider all information and actions provided by the Proxy Holder as performed by myself. I acknowledge that Koda cannot be held liable for any loss deriving from the Proxy Holder's actions or omissions.

Withdrawal

I can withdraw this Power of Attorney at any time but unless I do so it will run without time limitation.

It is my own responsibility to make sure to terminate the Power of Attorney if this is made relevant due to my relationship to the Proxy Holder.

Withdrawal must be sent to repertoire@koda.dk. Koda is obliged to terminate the Power of Attorney as soon as possible, however no later than 3 business days after the withdrawal is received. Koda then notifies the Proxy Holder of the withdrawal of the Power of Attorney.

Koda is entitled to charge a fee of DKK 500 for the establishment and administration of this Power of Attorney.
