Danish TV channels retransmitted abroad[4]	X Abroad	3,5%		Census	Annually									

[1] Cf. Koda's Transparency Report 2022, table 2.1

[2] Compensation for local sub-publishing = 15%

[3] For channels where the primary broadcast is processed by a affiliated society, but where Koda processes advertisements separately, 15% of the TV distribution amount is allocated to the advertisements

[4] Payments for retransmission of Danish TV-channels abroad is included in the annual final distribution in the channels involved
