The undersigned: \_\_\_\_\_

Practising music publishing under the name: \_\_\_\_\_

Address: \_\_\_\_\_

Postal area code: \_\_\_\_\_ City: \_\_\_\_\_

Phone: \_\_\_\_\_ CPR / SE no: \_\_\_\_\_

hereby declare that I am aware of the statutes of KODA of which I have received a copy.

**Transfer of the Exclusive Administration Right**

I hereby grant exclusive authorisation to KODA to administer the public performance rights of my works as well as the exclusive right to administer all my sound recording rights (the rights to record the works on recording devices capable of reproducing them such as records, compact-discs, tapes, videos, sound films or any similar present or future device).

The transfer of rights does not include the right in dramatico-musical performances of operas, musical comedies, musicals, ballets, pantomimes, and revue-theatre performances.

The transfer gives KODA the authorisation, on my and my successors' behalf, to protest against any infringement of the rights in the works published by me/my society, and to take any measure in fact or in law, which might prove necessary in order to protect these rights and me.

The transfer entitles KODA to let a third party represent part or all of the rights in question, in Denmark as well as in the rest of the world.

**The Works Included**

The transfer applies to all existing and possible future musical compositions with or without words, published by me/my society. In the event that there are works as to which I/we have already disposed of the rights covered by this agreement, KODA shall be entitled to request that I/we submit all information and all documents, which may prove necessary in order to establish the extent of such arrangements.

**Documentation and Notification**

I/we undertake to supply KODA with a list of the works presently published by me/us and to supplement this list with information of new works assigned to us. I furthermore undertake to supply KODA with all the information on the works published by me/us, necessary for KODA in connection with collection, registration, and distribution.

If occasion should arise, I undertake to produce documentary evidence showing that I own or represent the rights in the works, which I have notified to KODA, and that all necessary permissions from other rightsholders have been obtained. I am aware of the fact that according to KODA's statutes, only correctly notified works are entitled to receive royalties for the use thereof.

**Distribution of Royalties**

I/we agree to the fact that, in every respect, I/we am/are subject to KODA's statutes concerning the division of royalties yielded by the administration of rights pursuant to this agreement. This applies not only to the statutes laid down by KODA but also to any decision made by KODA's Council.

**Publishing Agreements**

In the event that by publishing agreements I/we transfer or obtain shares of royalties, to the extent permitted by the statutes of KODA and the conditions of the present agreement, KODA shall be notified immediately. Any publishing agreement must explicitly mention that collection and distribution of royalties must be undertaken by KODA or by the societies co-operating with KODA.

**Transfer of the Rights**

When I die, the successors to my performing rights shall be under an obligation to respect this membership certificate in the same way as I am. In the event that the rights descend to two persons or more, they shall be obliged to nominate one representative who, binding on all heirs, shall represent them in relation to KODA and receive all the amounts, which KODA may pay.

I consent to the fact that KODA only pays to members who have composed, written or published the works covered by the administration of rights. I shall therefore be precluded from transferring the right to receive royalties from KODA to a third party, apart from consideration deriving from publishing agreements entered into with publishers being members of KODA or of one of KODA's foreign sister societies.
