

Koda's use of non-distributable amounts, for the financial year 2022, as recommended by Koda's Board for the General Assembly's adoption on 26 April 2023 (unaltered – except for the amounts)

It is recommended that the following applies for the amounts that was to be considered non-distributable by the end of the financial year 2022:

1. Amount that is non-distributable because the works have not been clearly and unambiguously notified to Koda

For the financial year 2022, the amount is DKK 3,554,497.74

This concerns amounts from distributions in 2019 allocated to works not duly notified, which after three years of reservation are classified as non-distributable.

2. Amount that is non-distributable because the rightholders cannot be located

For the financial year 2022, the amount is DKK 5,981,086.40

The amount is constituted by amounts allocated to internal accounts of certain members and non-members that Koda after three years of reservation has not been able to pay out, The amount covers reservations made in 2019.

The amounts mentioned are distributed within the respective distribution areas.
